Palm Villas was raised by a very special family of developers, architects, and real estate experts. A unique home in paradise, Palm Villas is a one-of-a-kind venture for its ability to fuse privacy, comfort, nature and design. Located in the heart of Bay Harbor Islands, in a natural setting of lush palm trees, the complex is composed of 14 luxurious villas with individual gate access and ample green space for family recreation. Each vila consists of 2 private garages, private elevators, floor-to-ceiling windows, private garden, barbecue and Jacuzzi.

Palm Villas was designed by the architectural team of Schapiro and Associates. Since it's creation in 1975 in Miami Beach, Florida, award winning Schapiro Associates has established an approach to design with an informed sensitivity to the needs of clients, enabling all members of the design team to make contributions in providing solutions to the economic, aesthetic, and functional needs of each project, while maintaining an emphasis on design excellence.

The developer teams of LDG and Team 18 partnered to make the Palm Villas vision a reality. LDG is a firm with success in real estate development since 2001. Dedicated to high quality work, professionalism, attention to detail, and a dedicated to constant improvement, LDG will ensure the success of Palm Villas.

The Team 18 group has developed over 35 projects of high urban impact. Innovative architectural design and high quality construction is of utmost importance, as evident by their numerous Bogotá and Quito projects in 2008. Together, they bring over 30 years of experience to the Palm Villas project. With past successes in Argentina, Uruguay, Venezuela, Ecuador, and Colombia, the two firms joined forces in 2013 to start projects in South Florida.

Currently, they have several projects in some of the most important cities in South Florida, including Aventura and Bay Harbor Islands. Most recently are their Bay Harbor Island projects, Kai and Bay Harbor ONE.
